Story ID: THRSEV-4

Story ID: THRSEV-5

Release 1

Delivery date: September 8, 2015

Total Story Points: 17

Provide an initial website that will allow the user to view and sort properties easily without the interruption of advertising. Users will be able to view up to 3 pictures of the property and see basic information such as number of bedrooms, bathrooms and location. Staff Information such as name, contact information and a photo will also be available on the website.

Staff Member Information

Information about the staff members available on the website for other users to access and view. Will be a dedicated page on the website listing all the contact information.

Story ID	Story Title	Story Points
THRSEV-1	Ability to view contact information	1
	Story Point Sub-Total:	1

View and Sort Properties

Users can view all the properties offered on the website. The user can also narrow offerings through selecting criteria. The user is also able to customise their search further by sorting the results by further criteria such as price.

Story ID	Story Title	Story Points
THRSEV-2	Ability to View Property Information	1
THRSEV-3	Ability to Sort Properties	3
THRSEV-4	Ability to View Property Pictures	2
